

International Student Studying Abroad

This form is necessary only for study abroad programs that occur during a fall and/or spring semester.

Student First Name: _____

Student Last Name: _____

Student ID: _____

I understand that studying abroad, like any time spent outside the U.S., may impact my immigration record and visa. In order to maintain my SEVIS record while I am abroad, I must be registered for 12 s.h. (undergrads) or 9 s.h. (graduate students) at the University of Iowa during the fall and/or spring semester of my program. I understand that if I am unable to register full-time at the University of Iowa, my immigration record and visa may be impacted. I will discuss my plans with International Student and Scholar Services.

Signature: _____ Date: _____

To Be Completed by Study Abroad Advisor:

Name of Program: _____

- UI-sponsored Study Abroad program
- Non-UI program
