

Request to Travel to High Risk Destination - Student

Instructions: Please fill out this form with as much detail as possible and return it to safety-abroad@uiowa.edu. This form will be used by the University of Iowa to assess whether your travel will be approved to go forward. Please direct all questions to safety-abroad@uiowa.edu. There may be follow-up questions regarding information you provide on this form. Please be aware that there is no guarantee that your travel proposal will be approved.

Name:

UI University ID:

UI Email:

Destination Under Review:

Faculty Advisor(s):

Dates of Travel:

Undergrad:

Grad:

Description of travel plans, program or research project:

1. What academic or other university goals are you meeting by completing this international travel?

2. If your proposal is not approved in this location, where else might you be able to meet your goals? Could it be done here in the United States, if not abroad? Please list alternative destinations.

3. Please describe on-location supports (i.e. a university or organization you will be affiliated with at the site, UI faculty/staff accompaniment, housing and ground transportation, etc.). Include names, addresses and contact information, if available. If you are traveling with a group consult your group leader for details.

Before answering Question 4, you are required to read the following reports/notices specific to your location. Your answer should reflect comprehension of information contained in the reports. While this list is not exhaustive, these are the main risk assessment tools that the University of Iowa consults.

- U.S. Department of State Travel Advisory: <https://travel.state.gov>
- Centers for Disease Control and Prevention Travel Notices: <http://www.cdc.gov/>
- Overseas Security Advisory Council Crime and Safety Reports: <https://www.osac.gov>
- Optional: If you would like to review UI private security partner analysis for your destination you may contact safety-abroad@uiowa.edu for assistance.

4. Please describe the risks referenced in the above documents and indicate how you would mitigate those risks. Include emergency preparedness plans, safety procedures, and locations that you plan on traveling to or avoiding.
