- You have received a newly updated OPT I-20 through the iHawk process and uploaded a signed scan of it into the “Form I-20” page of the “Evidence” section of the online I-765.

How may we contact you?

Daytime telephone number

Mobile telephone number (if any)

This is the same as my daytime telephone number.

Email address

What is your current U.S. mailing address?

We will use your current mailing address to contact you throughout the application process. We may not be able to contact you if you do not provide a complete and valid address. Please provide a U.S. address only.

In care of name (if any)

Address line 1

Street number and name

Address line 2

Apartment, suite, unit, or floor

City or town State ZIP code

Much of this page is self-explanatory. However, the mailing address you list must be able to receive mail in your name up until your EAD is approved. Attempting to change a mailing address for a submitted and pending application is problematic. If you anticipate moving in the months following application, then we recommend you list the name of a trusted friend in the "In Care Of" field whose address you know will remain valid and monitored for more than 3 months after filing.

Remember that government mail does not forward so if you arrange with USPS to have your mail forwarded to a new address, your EAD card will be automatically returned to the government. Speak to an ISSS advisor if you have questions about this.

If the mailing address above is different than where you reside physically, then you should answer "No" and be sure to list your actual physical residence at the time of submitting this application.

What is your Form I-94 Arrival-Departure Record Number (if any)?

When did you last arrive in the United States?

List your arrival date, place of arrival, and status at arrival.

Date of arrival

Place of arrival

Status at last arrival

The information to complete the fields to the left can be retrieved from the [online I-94 site](#) after entering your passport information. After reviewing the "Place of arrival" options from the drop down list, if you are unsure of the exact city or airport where you last entered the US, the three letter location code in the Travel History section may help. A scanned printout or digital picture/screenshot of just the I-94 page (not the Travel history) of this site will need to be uploaded in the later "Evidence" section of the online I-765 form. So do make a screenshot or printout of the I-94 page when looking up your I-94 information.

If you last entered the U.S. in a different status and changed status to F-1 then the response above could be different.

What is the passport number of your most recently issued passport?

What is your travel document number (if any)?

If you have a valid passport to complete the information above then you can leave this field blank.

What is the expiration date of your passport or travel document?

What country issued your passport or travel document?

What is your current immigration status or category?

F1—Student, Academic Or Language Program.

What is your Student and Exchange Visitor Information System (SEVIS) Number (if any)?

Use the "Additional Information" section to include all previously used SEVIS numbers.

What is your USCIS Online Account Number?

Providing your unique USCIS Online Account Number (OAN) helps us manage your account. You may already have an OAN if you previously filed [certain paper forms](#) and received an Account Access Notice in the mail. You can find the OAN at the top of the notice; it is not the same as an A-Number.

I do not have or know my USCIS Online Account Number.

Has the Social Security Administration (SSA) ever officially issued a Social Security card to you?

Yes

No

Do you want the SSA to issue you a Social Security card?

Yes

No

Most F-1 students will not have an A-Number previous so this may be left blank if they do not apply to you. If you previously were authorized for OPT the A-Number appears after "USCIS#" on the past EAD card and those digits can be entered on the field

Most students similarly will not have a USCIS Online Account Number so the box can be checked and the field left blank.

If you answer YES a field will open up where you can list your SSN.

If you do not already have an SSN and would like to receive one to have it ready to show a future OPT employer, then click YES and complete the fields that appear.

A scanned printout or digital picture/screenshot of just the I-94 page (not the Travel history) from the [I-94 site](#) can be uploaded here.

Upload a picture or scan of your PASSPORT Information Page into this section. If you applied in the past for OPT after a degree prior to your current or most recent program, then upload as a second file a scan or photo of the front and back of that expired EAD.

If you had any CPTs during your current degree, an ISSS advisor can give you a screenshot from your SEVIS record's CPT page. Once you proceed with the directions in on the following slides and meet with an ISSS advisor, then you can return and upload the CPT screenshot given when the ISSS advisor approves your OPT I-20. If you have never received CPT or OPT in the past, then no upload is necessary in this section.

This is where you will upload a scan of the new OPT I-20 that the ISSS advisor will give you during the advising appointment after you have uploaded the pdf of the draft snapshot I-765 available from the "Your application summary" section of the "Review and Submit" tab described on the next page.
