Dear [Name of Recipient],

We welcome you to be affiliated with the Academy in regard to your Fulbright application. As a holder of such an award, you will have full access to our library and to students and faculty members who are willing to participate in your project. The school cannot however, assure you a studio, access to the Academy's classes, computers or its workshops.

The Iceland Academy of the Arts is the only art academy on a university level in Iceland. All of the Academy's four departments offer a three-year, 180 ECTS program, which concludes in a bachelor's degree. They are the Department of Fine Arts, the Department of Design and Architecture, the Department of Music and the Department of Theatre. The Department of Theatre, furthermore, offers a four-year, 240 ECTS program, concluding in an MFA degree, and the Department of Music a two-year, 120 ECTS program in Composition, concluding in a master's degree. Further programs at the post-graduate level are currently being developed and the aim is to start master programs in all Departments in the near future.

Sincerely yours,

Alþjóðafulltrúi / International coordinator
