Light refreshments will be served.

**BLOOD**

**DIAMONDS**

**before and after  
The phenomenon**

Friday, March 14  
12:00 - 1:00 p.m.  
315 Phillips Hall

Presented by Todd Cleveland, assistant professor of history,  
Augustana College, Rock Island

This Talk Considers The “Blood Diamond” Phenomenon In Africa, Identifying Antecedents As Far Back As The Early 20th Century Through An Examination Of The History Of Angola’s Diamonds, But Also Traces The Phenomenon Into Present Times, With A Focus On The Continuing Diamond-fueled Repression In Zimbabwe.
