Health Insurance Information  
University of Iowa Study Abroad Programs

You are required to have health insurance while studying abroad on a University of Iowa program. This form will describe the various forms of medical insurance you may have in effect for the duration of your study abroad experience.

Iowa Regents Study Abroad Health Insurance  
All University of Iowa students who study abroad will be signed up automatically for the Iowa Regents Study Abroad Health Insurance coverage, provided by Cultural Insurance Services International (CISI). The plan costs $1.15 per day and will be charged to your U-bill. Main features include the following:

- **Medical Expense**: $500,000 per accident or sickness
- **Pre-existing Conditions Coverage**: $100,000
- **Mental & Nervous Illness (per lifetime)**: $20,000 inpatient; $10,000 outpatient
- **Prescription Drugs (in/outpatient)**: 100% of eligible expenses
- **Emergency Medical Evacuation**: 100% of covered expenses
- **Emergency Medical Reunion**: $10,000 maximum, $300/day
- **Security Evacuation (natural disaster/political unrest)**: $100,000
- **Repatriation of Remains**: 100% of covered expenses
- **Accidental Death & Dismemberment**: $25,000
- **Trip Delay Benefit**: $500 maximum, $100/day

Complete details about the CISI insurance coverage are available on the study abroad web site, http://international.uiowa.edu/study-abroad/health-insurance-information.

Your Current Insurance Plan  
*Do not let your regular insurance coverage lapse while you are out of the country,* since any medical condition for which you have already received treatment or which might develop while abroad could be considered a “pre-existing condition” when you attempt to enroll again in your local plan (either when you return after your study abroad experience, or in the event that you are transported home because of a medical emergency).
