

SOME (NOT SO) LOST AQUATIC TRADITIONS:

GOANS GOING FISHING IN THE INDIAN OCEAN

SPEAKER: DR. PAMILA GUPTA

Anthropologist Pamila Gupta is a senior researcher based at WISER (Wits Institute for Social and Economic Research at the University of the Witwatersrand) in Johannesburg, South Africa.

Gupta will discuss the diasporic group that interpolates between Portugal, Mozambique, and Goa, India. She will focus on the role rituals play in enhancing community and diasporic ties, in re-creating sensual and bodily experiences and memories, and in representing notions of Goan popular culture, all to be passed onto subsequent generations of Goan Mozambicans.
