Grant descriptions

→ Stanley
  • The Stanley Undergraduate and Graduate Awards for International Research are given annually to outstanding University of Iowa students for the pursuit of research and learning activities in international studies not available on the UI campus.

→ Boren
  • Boren Scholarships (Undergraduate) and Fellowships (Graduate) are an initiative of the National Security Education Program. They provide funding for U.S. students to study less commonly taught languages in regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East.

→ Fulbright
  • The Fulbright U.S. Student Program is designed to give recent Bachelor’s graduates, Master’s and Doctoral candidates, young professionals, and artists opportunities for personal development and international experience.
